

North Carolina Going Home Initiative

Phase 1: Division of Prisons

- Make a plan for the offender's reentry
- Participate in programs such as education, substance abuse & mental health treatment, life skills and job training

Phase 2: Community Reentry

- Ongoing review and monitoring of the offender's reentry plan
- Participate in programs and receive needed services such as supervised housing, job placement, education and treatment

Phase 3: Long-term Support

- Long-term accountability for reentry plan
- Participate in aftercare treatment, ongoing mentoring, and support groups via community-based organizations
